CAN JEFFRIES BE AFRAID?

Sporting Men Do Not Understand the Situation.

CORBETT WANTS TO FIGHT

The Pugs Think Jim Stands Chance of Winning.

Brooklyn, N. Y., Jan. 15.—The refusal of Champion Jim Jeffries to accept the offer of a \$20,000 purse from the Hayes Valley Athletic club, of San Francisco, for a fight with Jim Corbett has occasioned no end of comment in the sporting world. It came as a big surprise, for it was the general belief that the offer was extremely liberal. No one thought that Jeffries would kick, as Corbett had agreed to split the purse on his own terms, which meant that the winner was to receive seventy-five per cent of the purse. There are many sporting men who incline to the belief that Jeffries is afraid. They argue that if Corbett is as good as he was when he fought Jeffries at Coney Island, he has a chance of winning on points, and the champion, realizing the fact, is trying to sidestep the match. This is the opinion of Tommy Ryan, who is a close student of pugilistic form. The middle-weight champion says that Jeffries is afraid. If he was not, he would not hesitate to accept the Hayes Valley Athletic club offer.

JEFFRIES MAKES A DENIAL.

Says that Jack Monroe Did Not Knock Him Down.
Salt Lake, Utah, Jan. 15.—The Herald tomorrow will print a signed statement from Champion Jim Jeffries concerning his recent bout with Jack Monroe at Butte, Mont. Jeffries claims that Monroe not only did not knock him down, but during the entire four rounds did not land a clean punch. Jeffries claims the club and Referee Duncan McDonald deliberately jockeyed him out of the fight, as the third round in which he sent Monroe to the mat for an eight count, was cut short fully a minute. This, he states, was practically admitted by the referee at the time.

"I made no attempt whatever to land on Monroe for the first two rounds," says Jeffries, "as I saw he knew absolutely nothing about the game. In the fourth round I could not get at him as he repeatedly clinched or fell to the floor, and in this manner he managed to stay the limit. The reports that he knocked me down are absolutely untrue and nobody knows this better than Monroe himself."

MR. DIEHL WAS HAPPY.
His Friends at Waco Gave Him a Feast.

John E. Diehl, of Waco, was in the city last night and he was the happiest man in Wichita. It was all on account of a dinner he had eaten in his home town. Mr. Diehl moved down to Waco four years ago and started a little grocery store. At that time Mr. Diehl says he could put all his wealth in his eye and not hurt the sight thereof.

John Diehl was not only an industrious man, but a good one. The people of that section learned to trust him once they bought goods at his store. He lived and made money and increased his stock of goods. A short time ago he sold his store to James Brothers and he is coming to Wichita and will live at 166 Park Place.

Mr. Diehl was in this city yesterday when he received a summons to come to Waco and be there at noon, as he was wanted on imperative business. When he arrived at the village he found his friends to the number of 200 assembled in a hall where they had prepared a great feast. They called it not a banquet, but a farewell dinner to Mr. and Mrs. Diehl. Senator O. H. Bentley, Ben Richey and Judge Cherry of this city, happened to be in that section and of course went to the dinner where there was something good to eat.

They did a little talking and a good deal of eating, which added to the good time.

When the dinner was over their friends presented Mr. and Mrs. Diehl with a fine silver set. Senator Bentley making the presentation speech. Mr. Diehl had a right to feel happy last night. That kind of a send-off by the good people of Waco after having done business with them and lived among them for fourteen years is a certificate of character that any man might feel proud of. Wichita will gain a good citizen by this change.

MUSIC AND DRAMA.
At the Crawford.
WAY DOWN EAST
The quartet in Way Down East is carrying along with fourfold force the work begun by Maude Courtney, who first scored with the old song.

The four members who comprise the village choir in Way Down East, render the old melodies in a way long to be remembered. "Come Where My Love Lies Dreaming," is their primal selection and is followed by the once popular, "Wait for the Wagon," which dates back nearly a hundred years. Nothing evokes the applause, however, that is brought by the rendering of the ever new and ever tender "Annie Laurie," a song that will live forever. Way Down East will be seen at the Crawford Theatre, January 21. Seats on sale open at Howe's jewelry store Saturday 9 a. m.

THE CARPENTER COMPANY
Considering the equipment of the piece and the reported merit of the play as a dramatic offering, the presentation of the new Russo-Siberian play, "For Her Sake," at popular prices, ought to meet with general favor from the patrons of the Crawford, where the new play is to be seen soon. There are some intensely dramatic scenes in this play, one of them being a fogging scene, illustrative of the daily course of events in the convict mines of Siberia. The victim of the knout is a seer maiden upon whom a Russian prince of the blood has centered his affections, and who has involved himself and her in a conspiracy, which has its termination and final happy conclusion in one of the Czar's penal colonies. The company is a very large one, and is said

FOR WOMEN

Much That Every Woman Desires to Know

About Sanative Antiseptic Cleansing

And About Curing Ulcerative Pains and Weaknesses.

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment and Pills in the antiseptic cleansing of the mucous surfaces and of the blood and circulating fluids, thus affording pure, sweet and economical local and constitutional treatment for weakening discharges, ulcerations, inflammations, irritations, relaxations, displacements, pains and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength and beauty to weary women, who have been prematurely aged and impoverished by these distressing ailments, as well as such sympathetic ailments of anemia, chlorosis, hysteria, nervousness and debility.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made the Cuticura Soap, Ointment and Pills the standard skin cures and humor remedies of the civilized world.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, in the form of baths for annoying irritations, inflammations and ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the toilet, bath and nursery.

to be usually competent for the work it has in hand.

"THE TYRANNY OF TEARS"
Paul Gilmore, who has hitherto appeared in romantic dramas in which the cut, thrust and parry of swords has a distinctive and dominant feature, will appear here soon in Haddon Chambers' highly amusing comedy, "The Tyranny of Tears," which depends upon brief incisive dialogue and some amusingly complicated situations, interpreted by clever players, for its success.

MOREY STOCK COMPANY
Article 47, was the bill at the Crawford last night and it was put on only as a detail of the stock company. No detail was lacking, and the stock company, taken by Miss Morey, showed better than her power as an emotional actress. She has great ability as an emotional actress and her work last night was well appreciated by the good crowd present. Tonight Cleopatra will be produced.

At the Toler.
DRUM MAJOR OF "THE KILTIES"
The drum-major of the famous Gordon Highlanders' band, Donald MacCormack, is almost as celebrated throughout Canada as is Bandmaster Robinson himself. Mr. MacCormack is one of the finest specimens of manhood in all Canada and it is doubtful if a more striking looking soldier lives in the world today. He stands about seven feet and (unlike almost every other extremely tall man) is built in proportion to his great height. With his great bushy, lowering two feet above his head, and wearing his attractive kilted regimentals, he makes a handsome figure as he walks ahead of the band.

WHEN KNIGHTHOOD WAS IN FLOWER
What will unquestionably be the event of our local theatrical season will be the appearance of that beautiful and charming artist, Ethel Ellery, under the direction of Frank L. Perley. In Julia Marlowe's original \$20,000 New York Criterion theater production of "When Knighthood Was in Flower," Ethel Ellery's triumphs in the exacting roles of Barbara in "Barbara Frothingham" and Glory Quayne in "The Christian," demonstrate Manager Perley's wisdom in entrusting her with the difficult role of Mary Tudor. At the Toler this season.

RICHARD CARVEL
It has become the custom with most New York managers to send out two or three organizations presenting any great popular success that has been made. Not so with Mr. Wallace Murray, who will present here soon undoubtedly one of the finest attractions on the road today. Mr. Andrew Robson, a gentleman who is advancing rapidly in his line as one of the truly great actors of the day in an elaborate presentation of "Richard Carvel." The production is complete in every detail and the only one of its name anywhere. To see Robson in "Carvel" at the Toler is to see the original as seen in New York or other large cities. Watch for the date.

HELD SOCIAL SESSION.
Court of Honor Enjoyed Address of J. E. Epperson.

The Court of Honor held a social in their hall Wednesday evening. An excellent program, consisting of songs and recitations, with an address by Mr. J. E. Epperson, constituted the literary feature. Mr. Epperson is a special deputy of supreme chancellor and a fraternal lodge man of large experience. His address was both eloquent and instructive and was closely listened to by a large crowd. The Court of Honor is the largest of the younger fraternal orders; is founded on a good basis and is destined to be one of the strongest insurance orders in existence. After the address an excellent supper was served, to which all present paid due homage.

In the article in yesterday morning's Eagle about the meeting of Masonic grand lodge in this city it was stated that the time of meeting would be in January. It will be held in February.

IS NOT A CANDIDATE.
Tom Johnson Says His Business Keeps Him Busy.

New York, Jan. 15.—Mayor Tom L. Johnson of Cleveland, who is here on a business trip, was asked tonight regarding the basis of the statement that he will be a candidate for the Democratic nomination for governor of Ohio this year.

"I am not a candidate for the nomination," said Mr. Johnson, "and I am not a candidate or will be a candidate for the Democratic nomination for governor of Ohio."

Frey has made any such announcement in Springfield, published in the Cincinnati Times-Star, has done so without my authorization or approval. I repeat that I am not seeking such a nomination. My duties as mayor of Cleveland and my own business affairs are occupying my entire time and attention. No one has authority from me to say that I am a candidate or will be a candidate for the Democratic nomination for governor of Ohio."

Madrid, Jan. 15.—In a dispatch from Tangier the correspondent of the Imperial says the French representative has warned the Moorish government that a repetition of the fighting in the vicinity of Tangier would justify European intervention.

Premier Silvea last night, however, declared this report to be inaccurate. It is rumored that the Sultan has offered \$50,000 for the head of the pretender.

New York, Jan. 15.—An inventory taken today at the Brooklyn navy yard disclosed the fact that there is only enough coal on hand to last five days.

Luxury in Munyon's Witch Hazel Soap
Professor Munyon is justly proud of his Witch Hazel Soap, and we are proud of being able to offer it to you for 10 cents instead of 15 cents, which is its regular price.

From what people say of Munyon's Witch Hazel Soap, it is creating a great revolution in the toilet line. Think of a soap free from all alkalis and animal fats; think of a soap that is absolutely pure enough to eat, think of a soap that is said to be superior to any French toilet soap ever made. Mothers will be glad to get this soap because it relieves babies so quickly of hives, prickly heat and all skin eruptions.

People who have facial blemishes, black heads and skin eruptions should welcome this new soap as a great blessing. For shampooing it is said to be superior to any article on the market, as it is guaranteed positively to cure dandruff and most scalp diseases.

We believe we are affording the people of this city an opportunity that will be appreciated when we give them such a soap as this for 10 cents a cake—almost half price.
